

### Salmon Rapids Lodge Conference Room

The Little Salmon River Conference Room has warm wood accents and windows overlooking the river with access to the riverside patio. The conference room is 900 square feet and measures 30' x 30'. Approximately 36 people are accommodated in a classroom style set up or up to 64 for a banquet. The room may also be divided for smaller groups, each half with its own windows and patio door. Basic audiovisual equipment is available and our professional staff will work to ensure your meeting runs smoothly. The Little Salmon River Room includes high speed wireless internet access, temperature controls, telephone service if needed and an on-site meeting coordinator. Our conference coordinators are happy to assist with menu planning and break time arrangements.
